ACUPUNCTURE FOR EXPORT

SRI LANKA MP ENTERTAINED AT TYRINGHAM CLINIC

Mr. and Mrs. Bandia Ranaike from Sri Lanka have been the guests of Dr. and Mrs. Sydney Rose-Neil at Tyringham Clinic for the past three weeks, looking at the the clinic's method of acupuncture, as they intend opening an acupuncture clinic in Sri Lanka.

Their daughter has been on a course a Tyringham for the past three months.

A buffet luncheon was held at the home of the Rose-Neils, Park House, in the beautiful grounds of Tyringham. It was a splendid buffet and Mr. Welch and his staff deserve a lot of credit.

The First Secretary of the Chinese Embassy was in attendance, and as the originators of acupuncture the Chinese are most interested in Tyringham Clinic and are indeed helping to create this type of clinic all over Europe and Asia.
