Invitation to Sidney from the Chinese Medical Association to speak at The National Symposia of Acupuncture and Moxibustion and Acupuncture Anaesthesia in Peking from 1st to 5th June 1979

Dear colleaque,

I am pleased to inform you that The National Symposia of Acupuncture and Moxibustion and Acupuncture Anaesthesia, under the joint auspices of The Chinese Medical Association and The Association of Traditional Chinese Medicine, will be held in Peking from June 1 to 5, 1979.

The main topics of the Symposia are:

— Clinical Application of Acupuncture Anaesthesia;
— Mechanism of Acupuncture Anaesthesia; and
— Clinical Application and Mechanism of Acupuncture and Moxibustion.

On behalf of The Chinese Medical Association and The Association of Traditional Chinese Medicine, it gives me greatest pleasure to invite you to participate in the Symposia and make presentation in relating to topics as referred to above.

We are expecting your attendance. I am deeply convinced that your participation will not only serve to promote medical exchange and friendship between us, but also favour all the participants with an opportunity to acquire an understanding on the progress and achievements in field of acupuncture and acupuncture anaesthesia of your country and that of your own.

Enclosed please find the General Information giving further details of the Symposia.

With best wishes

Yours sincerely
CHIEN HSIN-CHUNG
President of The
CHINESE MEDICAL ASSOCIATION
